CIVIL PROCEDURE: COMMENTARY AND MATERIALS

Abstract from LexisNexis

Civil Procedure: Commentary and Materials provides students and practitioners with a comprehensive analysis of the practical and theoretical issues encountered in Australian civil procedure, including alternative dispute resolution. This text combines a wealth of primary and secondary materials from all

jurisdictions. The common law is clearly set out, together with extensive practical commentary. Each chapter features in-depth questions and notes together with further readings, to aid and extend understanding of the issues. It also examines and discusses each substantive and procedural step in the trial and appeal process.

AUSTRALIAN INSOLVENCY LAW

Abstract from LexisNexis

Australian Insolvency Law provides an accessible and concise explanation and analysis of the important aspects of both personal and corporate insolvency law and practice.

The fully revised fourth edition takes the reader through the technical and procedural aspects of each regime, to provide a clear

understanding of fundamental concepts, technical detail and practical issues. International aspects of insolvency law and, in particular, the cross-border insolvency regime, are also included. Key cases, legislation and further reading are clearly set out, and problems are provided to enable readers to test their knowledge of applicable concepts.
